### **Circleville Physical Therapy To Provide Services for Ohio Christian University**

CIRCLEVILLE, OHIO — Ohio Christian University is pleased to announce that Circleville Physical Therapy has been selected to provide physical therapy services for the University and its Trailblazers athletic teams.

The highly-trained therapy professionals at Circleville Physical Therapy specialize in sports-related injuries and are committed to providing the very highest quality therapy services available, with a distinctively personal touch. The team combines a traditional, hands-on approach with innovative and state-of-the-art equipment to treat athletes' pain and enhance function. Each rehabilitation program is customized to take patients from their current state of discomfort to the fullest recovery possible.

"We are pleased to join the Ohio Christian University team and look forward to assisting their athletes throughout the year. We wish all their teams the best of luck during their respective competitive seasons," stated Ann Freeman, owner.

The staff of Circleville Physical Therapy encourages athletes of all types, from weekend warriors to multi-sport athletes, to take advantage of the many services offered by Circleville Physical Therapy for sports-related injuries, as well as post-surgery rehabilitation or work-related injuries. For more information, or to schedule a free initial consultation, call 740.474.9318 or, to learn more, visit [www.circlevillephysicaltherapy.com](http://www.circlevillephysicaltherapy.com).
